

Winners of the Sutton Heritage Scholarship Announced

Ajax, ON – Sutton Group – Heritage Realty Inc.* is helping to make dreams come true by bringing higher education within reach. Last month, four students received a total of \$5,000 through the Sutton Heritage Scholarship Fund. This fund is made possible thanks to the personal contributions of Broker of Record Rosalind Menary and her husband Ron (pictured left with recipient Jordyn Schisler), as well as their team of REALTORS®, who donate a portion of their commissions.

"This is our second year awarding scholarships to local students and we are so thrilled to be able to assist these bright, young men and women in achieving their goals," says Rosalind Menary, Broker of Record.

"At Sutton Group-Heritage it is very important to us to give back to the communities where we live and work and this scholarship fund has allowed us to do that in such an inspiring way."

These are the recipients of the Sutton Heritage Scholarship for 2017:

- \$2,000 recipient: Jordyn Schisler will be attending Mount Alison in N.B. to study Psychology in hopes of working with children who have mental health issues,
- \$1,000 recipient: Dua Alam will be attending McMaster University and plans to pursue Civil Engineering,
- \$1,000 recipient: Amy Kaustinen will be attending Queen's University to earn her Bachelor of Commerce,
- \$1,000 recipient: Joshua Saghie will be studying law in the UK.

The idea for the scholarship originated with Rosalind and her husband Ron. They saw firsthand the high cost of post-secondary education when their granddaughter went to college. They felt that scholarships would give hardworking students the chance to reach their goals.
