

Helping the Community is a Great Incentive to Golf!

Barrie, ON – For the past fourteen summers, avid golfers and those in Barrie’s real estate community have looked forward to the tournament hosted by Sutton Group – Incentive Realty Inc.*. On July 6, 2017, Broker of Record Bill Kindou and his wife and Office Administrator Michelle were pleased to host 65 players at the beautiful Innisbrook golf course. The event raised more than \$1,000 for a local shelter, which provides confidential, emergency services to women and their children.

“We turned a fun golf day into giving back to our community,” says Michelle. “We are grateful to the golfers, sponsors, volunteers, agents and friends who made this event a success. Thanks to all for giving and supporting us!”

Michelle and Bill appreciate every prize donation, because it made the day that much more rewarding for players. REALTORS® and friends provided many of the prizes.

They would like to acknowledge the extra contributions of Mike Bentham of RBC in-house mortgages. As well, Audi offered a spectacular hole-in-one prize: a free one-year lease on one of their top models. No winner this year, but better luck next time!

Since 2003, Bill and his team have organized numerous golf tournaments, barbecues and other charitable events. They have raised more than \$50,000 for the cancer care centre at Barrie’s Royal Victoria Hospital and assisted many other charities.

Sutton is a 100% Canadian-owned and operated company with more than 8,000 REALTORS® in over 200 offices nationwide. To find out more about Sutton, visit www.sutton.com. To learn more about Sutton Spirit, visit www.suttonspirit.com.
