

## Lavish Garden Feast Supports Artistic Programming

**Oakville, ON** – Sutton Group – Quantum Realty Inc.\* is dedicated to improving the quality of life in the community. They made a dramatic difference for one lucky client earlier this year when they awarded a stylish Fiat in *Sutton Quantum's Driveaway Car Giveaway Contest!* Up next is one of the most highly-anticipated events of the season: Oakville Galleries' *Cocina*, a *Dinner in Gairloch Gardens* on September 7<sup>th</sup> beginning at 7 p.m.

Guests will dine at long tables set among the 15,000 blossoms of Gairloch Gardens and enjoy a lavish, six-course meal prepared by renowned chefs Grant van Gameren and Chris Brown. The meal will feature locally grown and raised food paired with wines from Niagara's Vineland Estates.

For the fourth year in a row, Broker of Record Tina Gardin is pleased to have contributed \$2,500 to become a Presenting Partner for the *Dinner in Gairloch Gardens* knowing that the proceeds fund accessible, quality educational and artistic programming.

"It is an amazing and unique event," says Tina. "Jamie Kennedy was the chef last year and Massimo before him. The stars and the sounds of the water of Lake Ontario as well as the spectacular blossoms surround the diners."

"There are also great wines and an auction, which helps to support the Oakville Gallery, children's programs and more."

"We are proud to have sponsored this event for four years. It is part of our commitment to supporting quality of life initiatives in the Clarkson and Oakville districts."
