

Share your Spooktacular Halloween Spirit

Canada – Show us your Halloween-themed costumes, piñatas filled with candy, haunted homes and offices, jack-o'-lanterns, apple-bobbing contests and more! We invite Sutton Brokers, REALTORS® and staff across Canada to share photos and a few words about the scary fun by emailing stories@suttonspirit.com. Your contributions will be part of a spooktacular feature on www.suttonspirit.com.

Halloween marks the beginning of a busy season of celebrations. As you enjoy good food and company, consider adding a raffle, a 50/50 draw, or games at events. These are easy, fun ways to raise a bit of money for a good cause.

Sutton Spirit is here to highlight your efforts and promote events. Each week, we feature the volunteer and charitable work of Sutton members across Canada. This free service is designed to raise community profiles in a meaningful way. Studies show that not only does it feel great to give back, there are also marketing and networking benefits. You can make connections with people who share similar interests and build a positive reputation.

Contact us to write your story for you free of charge. Our writer will follow up to gather a few details, comments and a photograph or two. All Sutton Spirit stories are distributed to media and Sutton members in the region. Our site www.suttonspirit.com is an online archive, making it easy to share social media links. We also produce an annual magazine, which is delivered to all Sutton offices.

If you are looking for more ways to get involved, consider these ideas:

- Make the holidays brighter for isolated seniors and families in need by connecting with community organizations to provide meals, gifts, or a few hours of your time.
- Follow your passion by volunteering at sporting events, art galleries and more.
- Help to build homes locally and abroad through Habitat for Humanity.
- Volunteer at an animal shelter or participate in a shelter walk-a-thon, or gala.
- Get exercise while supporting medical research, etc. through fun runs and walks.
- Check your local listings for unique, local projects.

What are you waiting for? Giving back can be enjoyable and rewarding!

Sutton is a 100% Canadian-owned and operated company with more than 8,000 REALTORS® in over 200 offices nationwide. To find out more about Sutton, visit www.sutton.com. To learn more about Sutton Spirit, visit www.suttonspirit.com.
