

Cliff Barron's Great Pumpkin Giveaway for Charity

Mississauga, ON – The 2nd Annual Cliff Barron's Great Pumpkin Giveaway was another success for Halloween enthusiasts and the United Way! Understanding that many of his clients like to make jack-o'-lanterns and pies, Cliff purchased a massive load of more than 250 pumpkins (nearly 2,000 pounds!) from local farmers. On Sunday, October 22, Cliff and volunteers spent hours giving them away by donation at the Beaty Neighbourhood Park.

"I'm pleased to announce we raised over \$500 for the United Way of Halton & Hamilton," says Cliff. "Thanks to my family, friends and volunteers for helping out. Can't wait until next year!"

In addition, Cliff appreciates the cooperation of the town of Milton, which allowed him to hold this special event in the suburban park.

Another part of this autumn tradition is a draw for a massive gift basket supplied by this REALTOR®. Hundreds filled in entries for the free prize draw.

"A highlight of the day was getting back home and getting a big thank-you email from somebody living in the neighbourhood. They said they're definitely a future client," says Cliff.

All of the funds raised at this pumpkin giveaway were donated to United Way Halton & Hamilton. This money remains in local communities to bolster programs by dozens of non-profit organizations such as Food for Life, STRIDE employment services, Canadian Mental Health Association and Literacy North.
