

Swing Into Spring with the Rotary Club Golf Fundraiser

Chilliwack, B.C. – Crystal De Jager, a member of the Rotary Club of Chilliwack Fraser for 2.5 years, is happy to announce their first *Swing into Spring* Golf Tournament Fundraiser on Sunday, May 27, 2018 at the Cultus Lake Golf Club. Sign-in begins at 11 a.m. with a 1 p.m. shotgun start. The cost for golf, dinner, silent auction and a chance to win prizes is just \$100. Non-golfers, who wish to show their support, are welcome to join the dinner for \$50. All proceeds support the Club’s community projects, in particular the pediatrics unit at Chilliwack General Hospital.

“This is our first tournament and hopefully it will become an annual event,” says Crystal. “It was morphed from our previous *Swing into Spring* dance fundraiser.”

Crystal is optimistic that this golf tournament fundraiser will attract a full roster of players. In addition to golfing for a good cause, players can enjoy a unique setting. Cultus Lake Golf Club boasts stunning mountain views and in May, the course will be lush, green and sprinkled with spring blossoms.

Local businesses are also invited to get involved. There are many sponsorship opportunities ranging from \$250 to become a Shared Hole Sponsor all the way to \$5,000 to become the prominently featured Presenting Sponsor. In addition, there are six slots available for food sponsorships.

To register as a participant or to become a sponsor, please contact Crystal or visit this Rotary Club’s website: <http://www.rotaryclubofchilliwackfraser.org>.

The Rotary Club of Chilliwack Fraser was established in 1982 to actively enhance the community. Members participated in the purchase and set up of the Rotary Hospice House and annually support *Hike for Hospice*. The Rotary Club of Chilliwack Fraser also works with the Chilliwack and Mount Cheam Clubs to improve and maintain the Chilliwack Rotary Trail, Meals on Wheels and other projects.
