Sutton's New Office in Lake Cottage Country

Sutton Group – Muskoka Realty Inc. is ideally situated to take advantage of serving a growing number of recreational homeowners in “Cottage Country”. Located in the heart of Muskoka, encompassing the Lake of Bays, Almaquin districts, Lake Rosseau, Lake Joseph and Lake Muskoka, the office specializes in recreational, residential, vacant land, condos and commercial properties.

Mark Kirkby – broker of **Sutton Group – Muskoka Realty Inc.** has been in the real estate business for over 30 years as well as building many homes in the area. “I feel very privileged to be living in Cottage Country. You can have your choice of being on large or small lakes, with privacy or not. You can have sunset views or sunrises; sand beaches and/or deep water; busy lakes or quiet lakes.”

“The team we have built has a wealth of knowledge of this region with decades of experience in both residential and new residential, recreational, condominiums, and commercial real estate. We are very pleased to be opening this office so that we can follow our beliefs in dealing with all our clients in a personal, professional manner, whether they are buying or selling property.”
